Consent to Treatment:

I consent to treatment by Integrative Healthcare Providers physicians and ancillary staff. This consent includes diagnostic examinations, procedures and treatment, including medications provided under the instructions of the physicians. This consent also includes x-rays, laboratory tests, and other diagnostic tests deemed appropriate by the physicians.

I understand that more than one individual provider may be involved in my care, and that for this purpose my protected health information will be available to all such practice personnel.

I understand that some procedures, including but not limited to osteopathic manipulation, are “hands-on” treatments. **If you have any questions or concerns, or feel uncomfortable at any time during your treatment, please let us know.** I also understand that the practice of medicine is not an exact science, and practitioners can make no assurances as to results.

I authorize Integrative Healthcare Providers and affiliated Clinician/Physicians to treat me (my child) and use my (my child's) personal health information for continuity of health care purposes.

I understand that I may request in writing that you restrict how my private information is used or disclosed to carry out treatment, payment or healthcare operations. Cancellation/No-Show Policy:

We understand there may be times when you may miss an appointment due to emergencies or unforeseen obligations to work or family. We request you give at least 24-hour notice for canceling of an appointment to avoid a missed-appointment **“no-show” fee of \$75.00**. This fee will be applied to any/each appointment missed without reasonable cause and without 24 hour notice prior. If your appointment is scheduled on a Monday, you must notify our practice by phone, voicemail or patient portal message at least 24 hours in advance of your appointment, to avoid the stated fee. I understand that the no-show fee is not covered by insurance and I am completely responsible for paying it. I also understand that if I “no-show” for multiple appointments, or cancel multiple consecutive appointments, I *may* be discharged from care. In that case, your provider will notify you in writing should you be discharged from care. I have read and understand the above **Cancellation/No-Show Policy**, and I agree to the terms described.
